

Family Law and Support – Hearing Types

In order to appear via telephonic appearance, parties must check to see if their hearing type requires a judicial officer's approval. If the hearing type requires a judicial officer's approval, parties **MUST:** 1) request to appear by telephonic appearance from the judicial officer **AND** 2) schedule the appearance through the website. If a party schedules an appearance, but the judicial officer denies the request, the party will need to cancel the appointment online.
